

# CONSENT TO PERSONAL DATA PROCESSING

(including special categories of personal data relating to health status)

I, by filling out a form on the Website <https://evrionta.ru/ru> or in the Evrionta mobile application, scanning a QR code, submitting data through the AI assistant, or otherwise interacting with the Operator, acting freely, of my own will, and in my own interest, confirm that I have read the Personal Data Processing Policy of LLC “Toscana Food” (hereinafter — the Operator), and hereby give the Operator my consent to the automated and non-automated processing of the following personal data:

## Categories of personal data covered by this consent:

### 1. General personal data:

- last name, first name, and patronymic;
- contact phone number;
- email address (e-mail);
- delivery address (postal code, city, street, building, apartment).

### 2. Special categories of personal data (health-related data):

- information about chronic and past conditions;
- laboratory indicators (blood, urine, hormonal profile test results, etc.);
- physiological parameters (weight, height, age, sex, physical activity level, sleep patterns, dietary habits);
- health goals (desired outcome from using Evrionta products);
- data entered into the AI assistant during dialogue.

## Purposes of personal data processing:

- Providing me with access to the Evrionta service, including the generation of personalized recommendation protocols for nutraceutical and dietary supplement intake based on health data I have entered (AI assistant operation).
- Concluding and executing a sales contract for goods presented on the Website.
- Delivering purchased goods via courier service or order pick-up points (OPP).
- Processing payments through the payment system (acquiring service).
- Providing informational and technical support.
- Sending informational and promotional messages (subject to separate consent for mailing).

## Actions the Operator is authorized to perform with my personal data:

Processing of personal data includes: collection, recording, organization, accumulation, storage, clarification (updating, modification), retrieval, use, transfer (dissemination, provision, access), anonymization, blocking, deletion, and destruction of personal data.

## Transfer of personal data to third parties:

I have been informed of and agree that the Operator is entitled to transfer my personal data to the following third parties:

- delivery service (to fulfill the order) — to the extent necessary for delivery;
- payment system (acquiring service) — only the order identifier and amount;
- technical partner (hosting provider) — solely for the purpose of ensuring the operation of the Website.

## Important notice regarding the Operator’s status:

I confirm that I have been informed of and understand that **LLC “Toscana Food” is not a medical organization**, does not hold a medical license, does not make medical diagnoses, and does not prescribe treatment. All recommendations issued by the AI assistant and included in personalized protocols are **based on data I have entered myself**, are informational and reference in nature, and do not replace consultation with a qualified physician. I make an independent decision regarding the purchase and use of Evrionta products.

## Validity period of consent:

This consent is valid for 5 (five) years from the date it is granted, or until it is withdrawn in writing.

## Withdrawal of consent:

I understand that I may withdraw this consent at any time by sending a written notice to the Operator’s postal address or by email to [toscana.food@yandex.ru](mailto:toscana.food@yandex.ru) with the subject line “Withdrawal of Consent to Personal Data Processing.” Upon withdrawal of consent, the Operator is obliged to cease processing my personal data and destroy it within no more than 30 days, except in cases provided for by law.

## Consequences of refusing to provide consent:

I have been informed that if I refuse to provide consent to the processing of personal data (including special categories), the Operator will be unable to grant me access to the full functionality of the Evrionta Website and mobile application (including the AI assistant and the generation of personalized protocols).

Date of consent: the date the form is completed on the Website/application.
