1. What Are Cookies

1.1. Cookies are small text files that a website stores on a User's device (computer, smartphone, or tablet) when the User first visits the website.

1.2. Cookies do not contain viruses and cannot harm the User's device.

2. What Types of Cookies We Use

2.1. Technically Necessary Cookies (Required)

- ensure the proper functioning of the Website (shopping cart, authorization, order placement);
- cannot be disabled, as the Website will not function properly without them.

2.2. Analytical Cookies

- collect information about how Users interact with the Website (Yandex.Metrica, Google Analytics);
- help us improve the performance and usability of the Website.

2.3. Functional Cookies

- remember User preferences (language, region, personalization settings).

3. Purposes of Using Cookies

3.1. To ensure the technical functionality of the Website.

3.2. To collect visitor statistics and analyze User behavior.

3.3. To personalize content and improve the User experience.

4. Managing Cookies

4.1. The User may disable cookies in their browser settings at any time.

4.2. Important: disabling cookies may result in improper operation of the Website (including inability to place orders or loss of shopping cart data).

4.3. Instructions for popular browsers:

- Google Chrome: Settings → Privacy and Security → Cookies and Other Site Data.
- Mozilla Firefox: Settings → Privacy & Security → Cookies and Site Data.
- Safari: Settings → Privacy → Block All Cookies.

5. Cookie Retention Period

5.1. Session cookies are automatically deleted after the browser is closed.

5.2. Persistent cookies remain stored on the User's device until their expiration date (no longer than 12 months) or until deleted by the User.

6. Changes to the Cookie Policy

6.1. The Operator reserves the right to amend this Policy. The current version shall always be available on the Website.
